MEMORANDUM FOR: Chief, Security Support Division

STATINT FROM:

[REDACTED]  
Chief, External Activities Branch

SUBJECT: Weekly Report

1. During the reporting period, Doctor James NALLEY, a physician in Franklin, Indiana, telephoned the Central Intelligence Agency to check out the bonafides of his long time friend, Charles William ROBERTS of 1019 East Northview, Phoenix, Arizona who has displayed credentials verifying that he is a CIA employee.

2. When advised that ROBERTS is not a CIA employee, Dr. NALLEY related that based on Roberts' word and a cable from the CIA, he gave Roberts \$35,000 in order to get in on the CIA contract. The following return address appeared on the cable presented to Dr. Nalley:

IC/DIR TF For Yankee, AD/ADCI/Langley

3. Dr. NALLEY indicated that he was too embarrassed to contact the Federal Bureau of Investigation at this time; however, he would attempt to recontact ROBERTS for an explanation.

4. For your information, a check of telephone information in Phoenix reflected no listing of any kind for ROBERTS on East Northview and Dr. NALLEY was so apprised of our findings.
